ASSERTION OF SMALL ENTITY STATUS UNDER 37 C.F.R. § 1.27(c)

Applicants request that their status be returned to that of a small entity. The present application was originally filed by applicants as a small entity, based on the assignment of this application to the University of Massachusetts, a non-profit organization, and was subsequently licensed to a large entity. The license has been canceled, and thus applicants are again entitled to small entity status.

Please update your records to reflect the change in entity status of the above referenced patent application. Please apply any charges or credits to Deposit Account No. 06-1050, referencing Attorney Docket No. 10363-003004.

Respectfully submitted,
